

# Outdoor Fun

Find this

With this

And this

## Join the TMS Orienteering Club

**Orienteering**—the sport of cross-country navigation that tests both mind and body.

Orienteers use a map and compass to run or walk through parks while navigating a preset course to find specific locations. Experience the exhilaration of racing through the terrain using observations you make along the way. You decide the best way to get to each control location in the shortest amount of time.

Not confident reading a map? No worries, we'll teach you!

### Meeting Details

- **Days:** Thursdays starting Oct. 6
  - **Time:** 3:00 to 3:50pm
  - **Where:** TMS cafeteria
  - **Cost:** TMS Orienteering Club is free but there is a nominal fee to compete in the optional meets with other schools in the Pacific Northwest
- Meetings will finish in time so students are able to take the activity bus home
