

EDUCATION OF STUDENTS WITH DISABILITIES UNDER SECTION 504 OF THE REHABILITATION ACT OF 1973

It is the intent of the district to ensure that students who are disabled within the definition of Section 504 of the Rehabilitation Act of 1973 are identified, evaluated, and provided with appropriate educational services. Students may be disabled under this policy even though they are not eligible for services pursuant to the Individuals with Disabilities Education Act (IDEA).

Section 504 of the Rehabilitation Act of 1973 is a civil rights law which protects the rights of individuals with disabilities in programs and activities that receive federal financial assistance from the U.S. Department of Education. The district will comply with the federal policies that require free appropriate public education, Child Find, equal educational opportunity, confidentiality of information, parent involvement, participation in least restrictive environment, evaluations, placement, reevaluation, programming to meet individual needs, placement procedures, nonacademic services, preschool and adult education programs, disciplinary exclusion, transportation, procedural requirements, appropriate funding, accessibility, special issues related to drug or alcohol addicted students, special considerations for students having AIDS or HIV infection, and special issues related to ADD/ADHD students.

The superintendent or designee will establish procedures to ensure that students who are disabled within the definition of Section 504 are educated in full compliance with the law.
