

## CAMP CASEY FEE

The total cost per student to attend camp for the three days is \$200. Thanks to our generous PTSA/PTOs, they willingly donate up to \$50 of the cost per student, if it is requested by the parent. With PTSA/PTO donating the full \$50, the required payment per student to attend camp is \$150. Note: If parents choose to pay the full amount of \$200, PTSA/PTO will use the \$50 for other programs that benefit students.

Options for making this payment are as follows:

- One payment any time prior to March 15, 2019.
- Monthly or multiple payments (however it works best for your family). Available now through March 15, 2019.

Please make checks payable to your **child's school** or you can pay online with debit or credit. To make an online payment.

- Log on to the district home page at <http://www.tahomasd.us>
- On the right hand side of the screen under Quick Links select the link to Online Payments
- To Log in: User Name and Password are the same as your Skyward Family Access credentials
- **NOTE:** Online payment password is case sensitive and needs to be entered exactly as it was set up in Skyward.
- Skyward password changes take 24 hours to become effective for the online payment system.
- If you need your Skyward Family Access credentials, please check with your student(s) school office
- Select your student's name and then select "Items at the student's school". Click on "Camp Casey"
- Choose Quantity 1 then put in the dollar amount you would like to pay. Buy and then follow the check-out process

If you are unable to pay the required payment and your student qualifies for free/reduced lunch, please contact your school social worker or counselor for information regarding a PTSA/PTO scholarship application.
